--------------	------------------------

The undersigned customer hereby makes the following sales of gold of at least 999.9 grade, in the form of gold granules from manufacturers certified in accordance with the 'Good Delivery Standard', for the existing G-Deposito (collective custody) account with BB Wertmetall AG.

Transaction agreements

The redemption price for the gold is based on the gold spot price at the time of execution along with a fixed mark-up for administration, transport and storage. The current prices are published on <https://bb-wertmetall.ch/g-deposito>.

Sale or Barter on contract no.

gold granules to the value of EUR CHF

or

gold granules to the weight of ounces

Barter purpose (only for barter transactions)

The customer hereby instructs BB Wertmetall AG to sell / barter gold granules to the value of the specified quantity as soon as possible after receipt of the application or by (date). As far as possible, the sale shall take place at preferential prices within the customer's own stock and the transfer is made in favour of the reference account on file. The barter price corresponds to the purchase or exchange price.

Withdrawal plan with regular sales orders

A withdrawal plan offers the possibility of having a certain sum paid out regularly from sales of gold granules, for example for the provision of an old-age pension. As a precondition for this, a minimum quantity of 2 talents must have been in the G-Deposito account for at least 12 months.

The customer hereby instructs BB Wertmetall AG to make transfers to the debit of his/her above-mentioned G-Deposito, with prior sale of the corresponding quantity of gold at the redemption prices, in favour of the stored reference account.

Concluding declaration

The undersigned customer confirms that he/she has received and read the current General Terms and Conditions for G-Deposito (light/Pro), as well as a copy of this application, and agrees to them. The customer makes all purchase and sales decisions himself/herself and also carries out the necessary clarifications with regard to personal and material circumstances, in other words his/her ability and willingness to take risks. He/she confirms that he/she is aware that there is no right of revocation for the purchase and sale of precious metals in the G-Deposito account.
